Dear Jay,

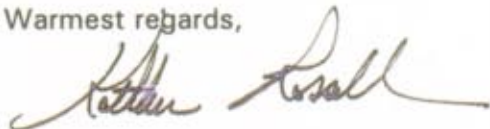

Spectacular, spectacular, spectacular . . . thanks to YOU and your "beautiful noise".

A very heartfelt thank you for making the ENA 25th Jubilee celebration, "Memories", the best opening reception that ENA has ever had. Your magnificent talent, showmanship, and enthusiasm thrilled our attendees and brought the evening to peak of excitement that we had hoped for.

Thank you also for being so charming, understanding, and professional throughout our planning process. Your appreciation for what we were striving for certainly made my job easier. I look forward to the opportunity of working with you again . . . it has been a truly rewarding and delightful experience.

Wishing you the very best.

Warmest regards,

Kathleen A. Rossell, CMP
